In order that we may apply for the waivers on your behalf, could you please supply the following information:

- Three photos – one general exterior view, one internal view and one of the engine bay.
- A copy of the vehicle registration document. If your vehicle has been imported it will be necessary for you to provide a copy of documentation that confirms the original build date of the car.

Once we have received the above, we will be able to confirm whether or not additional photos or other information is required before we are able to process the application for waivers.

Article 3.2: Classes

Competing vehicles will be divided into four categories. These categories may then be split into classes to provide the best competition between crews and may include criteria for body style, cubic capacity and design age.

The provisional list of category and classes is as follows:

Category 1 – Cars of a specification valid before 1st January 1968

Category 2 – Cars of a specification valid between 1st January 1968 and 31st December 1974

Category 3 – Cars of a specification valid between 1st January 1975 and 31st December 1981

Category 4a – Cars of a specification valid between 1st January 1982 and 31st December 1985

Category 4b - Cars of a specification valid between 1st January 1986 and 31st December 1990

Categories may be merged if there are insufficient cars entered in any one category or class.

Categories 2, 3, 4a and 4d are not eligible for overall awards.

Competitors in RAC Rally of the Tests LITE will run in their own class, and subject to entry numbers there will be multiple classes. All age categories are eligible for victory on RAC Rally of the Tests LITE.

All vehicles must be taxed and insured for the public highway. They must further comply with MSA Technical Regulations and in particular with J5 and R19.1.

Article 5.2 – Eligible Competitors – Licences

For UK Residents - As for all events run in the UK by HERO-ERA in 2025 and beyond, all competitors whether you're a driver or a navigator are required to have a Current Motorsport UK Competition licence (or a Competition Licence issued by your country's governing body). If you don't hold such a licence then you must apply for an RS Clubman licence. This licence is free of charge and can be obtained by going online to the Motorsport UK site and making a formal application. If you held a 2024 Licence you will need to renew it for 2025.

You will then be issued with a competition licence which will give you your competition licence number. You will also need to bring the competition licence with you for inspection at signing on or if you have a temporary number please bring the email confirmation.

Should you require any assistance regarding this, then please do not hesitate to contact the office who will give you any guidance they can.

For Non-UK Residents – Any Non-UK resident that does not hold a competition licence issued by the motorsport governing body of their native country can apply for a Motorsport UK RS Clubman licence. This exercise must be completed before the event so that competitors can bring the UK licence to the start venue.

To apply for a UK RS Clubman licence, you should visit: <https://rsclubman.motorsportuk.org>

For non-UK applicants, there are a few things to note when completing the registration process:

1. When prompted for a telephone number please use the HERO-ERA number: 01869 254979
2. When asked for an email address, please use your own email address as all communication will be via email
3. When asked for an address, please enter the HERO-ERA address of:

138 Southern Avenue, Bicester Heritage, Bicester, OX27 8FY

The premium will be advised once information is received from the insurer. This premium should be paid prior to the event starting.

All competitors who will be driving on the event will be asked to sign an insurance declaration that they have cover for Road Traffic Act requirements, and to confirm that all drivers, either (a) are covered by an extension to private motor insurance to include cover whilst participating in the event; or (b) are able to comply with the following declaration.

INSURANCE DECLARATION

Vehicles must have a valid motor insurance policy which provides as a minimum, Third Party Liability cover that complies with the Road Traffic Act. This can be either, by extending an existing motor policy to cover the event, or, by purchasing additional cover, provided under the Event Road Section Scheme as an adjunct to an existing motor policy. If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor.

If a competitor wishes to purchase additional Road Section cover via the organisers, then they can do so prior to the event providing they comply with the following: **Is aged 19 years or over**

Approval can be sought by Event Organisers sending an email to contact@reis.co.uk and providing the Driver's name and date of birth, the date they passed their driving test and full details of any motoring claims and/or convictions.
