## **Article 5.2 – Eligible Competitors – Licences**

**For UK Residents** - As for all events run in the UK by HERO-ERA in 2023 and beyond, all competitors whether you're a driver or a navigator are required to have a Current Motorsport UK Competition licence (or a Competition Licence issued by your country's governing body). If you don't hold such a licence then you must apply for an RS Clubman licence. This licence is free of charge and can be obtained by going online to the Motorsport UK site and making a formal application. If you held a 2022 Licence you will need to renew it for 2023.

You will then be issued with a competition licence which will give you your competition licence number. You will also need to bring the competition licence with you for inspection at signing on or if you have a temporary number please bring the email confirmation.

Should you require any assistance regarding this, then please do not hesitate to contact the office who will give you any guidance they can.

**For Non-UK Residents** – Any Non-UK resident that does not hold a competition licence issued by the motorsport governing body of their native country can apply for a Motorsport UK RS Clubman licence. This exercise must be completed before the event so that competitors can bring the UK licence to the start venue.

To apply for a UK RS Clubman licence, you should visit: <https://rsclubman.motorsportuk.org>

For non-UK applicants, there are a few things to note when completing the registration process:

1. When prompted for a telephone number please use the HERO-ERA number: 01869 254979
2. When asked for an email address, please use your own email address as all communication will be via email
3. When asked for an address, please enter the HERO-ERA address of:  
138 Southern Avenue, Bicester Heritage, Bicester, OX27 8FY

This will allow you to proceed, all correspondence will be sent to your email address so that is the critical part of the application to be completed
